Remarks

This recently refreshed single-story Circa 1910 bungalow offers a simple, practical layout with two beds and one bath, a dining room and living room and a floor plan reminiscent of the historic shotgun houses of New Orleans. All new floors, newer roof, fresh paint throughout and additional thoughtful improvements, this property is move-in ready. The user-friendly and convenient plan features rooms branching off a side hall, with two original fireplaces adding a touch of charm and character. Located a short distance from the Enmarket Arena on a quiet street, this is a solid choice for those seeking a low-maintenance, updated space.
